1. Upon your confirmation you will be directed to the JDLS home page where you can download the application file by pressing the “Download App” as shown in the picture. Click on the respective edition to download the file.

The screenshot shows the JDLS dashboard with the following elements:

- Header:** JDLS logo, navigation links (Home, JDLS Dashboard, Products), and user profile (Satheesh Kumar.C).
- VMAL:** A section with a VMAL logo and a "View" button.
- EVENTS:** A section titled "Janatics Automation Skill Competition" featuring the DIDAC INDIA logo and event details:
  - Event Name: DIDAC INDIA 2023
  - Stall: HALL NO 1, STALL NO A8
  - Venue: BIEC, BENGALURU, INDIA
  - Qualifier Round: 18th to 25th Sep 2023 (Online)
  - Final Round: 17th to 19th Oct 2023 (BIEC, BENGALURU)
  - Note\*: Only college students are eligible for this event
- Buttons:** Below the event details are three buttons: "Details", "Thank you for your Interest", and "Download App".

2. If you are registering before the start date and would like to start practicing, click on the JDLS Dashboard as shown in the below picture which will direct you further to the download screen.

The screenshot shows the JDLS dashboard interface. At the top, there is a dark blue header with the JDLS logo on the left and user information 'Satheesh Kumar.C' on the right. Below the header is a navigation bar with 'Home', 'JDLS Dashboard' (highlighted with a yellow box), 'Products', and 'Scoreboard'. A table below the navigation bar displays the following data:

Count	Item Name	Score	Points	Device	Status	Timestamp
3	DIY Kit Ex	2.59	99.529	Desktop	PASS	2023-07-11 13:55:23

Below the table, it says 'Showing 1 to 3 of 3 entries' with 'Previous' and 'Next' navigation buttons. A large banner below the table promotes the 'VMAL App' with the text: 'Download our VMAL App', 'A game changing Virtual Reality Application', and 'Our products and services for academia are designed towards bridging the industry-institute gap for increased employability of the students, skilling and fostering research and development at institutes.' The banner also features icons for 'Available on Desktop Edition' and 'Available on Mobile Edition'.

**Note:** Until you complete the participation confirmation as shown above, you will not be considered for the competition. So please remember to come to the webpage and complete the participation procedure.

#### Application usage:

1. After download launch the application and Sign in using registered credentials
2. Please go through the tutorial video before getting into the application.
3. Click on DIY Kit -> Guided mode for practice. (Guided mode doesn't have any scoring, it is only to gain experience to execute the non-guided mode and score better)
4. Once you complete the guided mode, Click on DIY Kit -> non-Guided mode. (Best Score of non-guided mode is shortlisted for level 2, multiple attempts can be made)
5. You can check your score in the JDLS dashboard.
